

# Weymouth Public Libraries Reading Log

NAME \_\_\_\_\_

AGE \_\_\_\_\_ PHONE \_\_\_\_\_ Email \_\_\_\_\_

The form consists of a 4x4 grid of 16 identical circles. Each circle is divided into four equal quadrants by a vertical line and a horizontal line that intersect at the center. The circles are arranged in four rows and four columns, providing a visual representation of reading time where each whole circle represents one hour and each quadrant represents 15 minutes.

Each whole circle represents 1 hour of reading. Color in one pie wedge for each 15 minutes read. Be as creative as you like! Print as many logs as you need. This log is meant as a way to help you keep track of your daily reading. Feel free to track in any way that works for you. How many minutes can you read during the challenge?  
**Logs must be returned to the Tufts Library by 8/16 at 5 PM**
